## Roses of the Wiregrass

Our 2026 Rose Show

Saturday, May 2, 2026

Dothan Area Botanical Gardens

This show utilizes specific rose show rules and uses American Rose Society approved judges. Participation is open to the public. If you have a rose or roses you'd like to show from your garden, cut the longest stem(s) you can, put in water and bring to DABG's Rickett's Hall between 7:00 and 8:00 a.m. on May 2. Members of the WRS will help you prepare them for judging. You MUST know the name and proper spelling of your rose.

We will also have an arrangement challenge! If you are interested, prepare your prettiest floral arrangement of roses and other flowers from your garden...they must be grown in your garden. Bring it to DABG where they will be displayed in the lobby and attendees will select the People's Choice Award. This will not be an official part of the judging using American Rose Society regulations.
